Painting & Restoration

Crate & Barrel

30,000 sq ft Store
Houston Street, New York, NY

At Crate and Barrel's second location in Manhattan, Newport was commissioned to repaint and apply specialty finishes to over 30,000 square feet of space. Located in the historic, 1894 Stanford White-designed Cable Building at the corner of Houston and Broadway in SoHo, we were thrilled to be part of this important renovation project. Cool, clean and crisp from floor to ceiling, we brought flawless finish and understated style to a retail spot that will have SoHo shoppers buzzing for years to come.
